

# The Psychedelic Furs, Susan's Strange

in a room susan is second hand  
susan is charity  
but she won't give you any flowers  
sha la la la la la sha la la  
susan's strange  
sha la la la la la sha la la  
susan's strange  
susan comes in colours  
you are black and white  
and won't say i love you  
oh that would be a lie and  
sha la la la la la sha la la  
susan's strange  
sha la la la la la sha la la  
susan's strange  
read the paper  
rearrange the lies  
susan has another  
all of this is yours now  
sha la la la la la sha la la  
susan's strange  
sha la la la la la sha la la  
susan's strange
