

The Psychedelic Furs, The Ghost In You

A man in my shoes runs a light and
All the papers lied tonight
But falling over you
Is the news of the day
Angels fall like rain
And love (love, love)
Is all of heaven away

Inside you
The time moves
And she don't fade
The ghost in you
She don't fade
Inside you
The time moves
And she don't fade

A race is on, I'm on your side and
Here in you my engines die I'm
In a mood for you
Or running away
Stars come down in you
And love (love, love)
You can't give it away

Inside you
The time moves
And she don't fade
The ghost in you
She don't fade
Inside you
The time moves
And she don't fade

Don't you go
It makes no sense when
All your talk and supermen just
Take away the time
And get in the way
Ain't it just like rain?
And love (love, love)
Is only heaven away

Inside you
The time moves
And she don't fade
The ghost in you
She don't fade

Inside you
The time moves
And she don't fade
The ghost in you
She don't fade

Inside you
The time moves
And she don't fade
The ghost in you
She don't fade
