The Psychedelic Furs, The Ghost In You

A man in my shoes runs a light and All the papers lied tonight But falling over you Is the news of the day Angels fall like rain And love (love, love) Is all of heaven away

Inside you
The time moves
And she don't fade
The ghost in you
She don't fade
Inside you
The time moves
And she don't fade

A race is on, I'm on your side and Here in you my engines die I'm In a mood for you Or running away Stars come down in you And love (love, love) You can't give it away

Inside you
The time moves
And she don't fade
The ghost in you
She don't fade
Inside you
The time moves
And she don't fade

Don't you go
It makes no sense when
All your talk and supermen just
Take away the time
And get in the way
Ain't it just like rain?
And love (love, love)
Is only heaven away

Inside you
The time moves
And she don't fade
The ghost in you
She don't fade

Inside you
The time moves
And she don't fade
The ghost in you
She don't fade

Inside you
The time moves
And she don't fade
The ghost in you
She don't fade
