

The Pussycat Dolls, In Person

She's real cute but
She ain't got nothin' on me boy
Caught you with her
Now I'm gonna scratch up all your toys
I'm not done yet
Watch what I do with all your clothes
You can hide behind the telephone now
But you're gonna get it for sure

I'ma get him when I see him. In person
I'ma hurt him when I see him. In person
I'ma kick him when I see him. In person
Can't wait till I see him. In person
I'ma get him when I see him. In person
I'ma hurt him when I see him. In person
Better never let me see him. In person
I'ma get him, I'ma get him

Come on, girls
Yeah yeah yeah yeah yeah yeah yeah
Sing it, girls
Come on
Yeah yeah yeah yeah yeah yeah yeah

Run to your mama and don't come back
You better stay in her house
Good sense would have told you
Not to let me out by now
Keep your money
You're gonna need all the help you can get
How you're gonna explain to your boys
That you got beat up by a chick

I'ma get him when I see him. In person
I'ma hurt him when I see him. In person
I'ma kick him when I see him. In person
Can't wait till I see him. In person
I'ma get him when I see him. In person
I'ma hurt him when I see him. In person
Better never let me see him. In person
I'ma get him, I'ma get him

Come on, dolls
Yeah yeah yeah yeah yeah yeah yeah
Sing it, girls
They don't know
Yeah yeah yeah yeah yeah yeah yeah

They don't know

Hope you hear me boy
I won't take that
Not like that. No no.
Train that boy now
What's wrong with that boy?
I should have trained him
Before I played him

What the hell is wrong with that boy?
Sing it, girls

If you want that boy
You gotta train 'em
Before you play 'em

That's right
That's what I'm talking about

You all hear me out there
I said

If you want that boy
You gotta train 'em
Before you play 'em

I'ma get him when I see him. In person
I'ma hurt him when I see him. In person
I'ma kick him when I see him. In person
Can't wait till I see him. In person
I'ma get him when I see him. In person
I'ma hurt him when I see him. In person
Better never let me see him. In person
I'ma get him, I'ma get him
