

The Pussycat Dolls, When I Grow Up (Junior Cal)

Boys call you sexy
And you don't care what they say
See every time you turn around they scream your name(x2)

Darkchild

Now I've got a confession
When I was young I wanted attention
And I promised myself that I'd do anything
Anything at all for them to notice me

But I ain't complaining
We all wanna be famous
So go ahead and say what you wanna say
You know what its like to be nameless
Want them to know what your name is
'Cause see when I was younger I would say

When I grow up
I wanna be famous
I wanna be a star
I wanna be in movies

When I grow up
I wanna see the world
Drive nice cars
I wanna have groupies

When I grow up
Be on T.V.
People know me
Be on magazines

When I grow up
Fresh and clean
Number one chick when I step out on the scene

But be careful what you wish for 'cause you just might get it
You just might get it
You just might get it(x2)

They used to tell me I was silly
Until I popped up on the T.V
I always wanted to be a superstar
And knew that singing songs would get me this far

But I ain't complaining
We all wanna be famous
So go ahead and say what you wanna say
You know what its like to be nameless
Want them to know what your name is
'Cause see when I was younger I would say

When I grow up
I wanna be famous
I wanna be a star
I wanna be in movies

When I grow up
I wanna see the world
Drive nice cars
I wanna have groupies

When I grow up

Be on T.V.
People know me
Be on magazines

When I grow up
Fresh and clean
Number one chick when I step out on the scene

But be careful what you wish for 'cause you just might get it
You just might get it
You just might get it(x2)

I see them staring at me
Oh I'm a trend-setter
Yes this is true 'Cause what I do, no one can do it better
You can talk about me, 'Cause I'm a hot topic
I see you watching me watching me and I know you want it

When I grow up
I wanna be famous
I wanna be a star,
I wanna be in movies

When I grow up
I wanna see the world
Drive nice cars
I wanna have groupies

When I grow up
Be on T.V.
People know me
Be on magazines

When I grow up
Fresh and clean
Number one chick when I step out on the scene

But be careful what you wish for 'Cause you just might get it
You just might get it
You just might get it(x2)

When I grow up
I wanna be famous
I wanna be a star
I wanna be in movies

When I grow up
I wanna see the world
Drive nice cars
I wanna have groupies

When I grow up
