

# The Pussycat Dolls, Who's Gonna Love You

Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody  
Wait a minute

I'm not dreamgirl, not perfection  
Never said I was from heaven  
But baby I could be the closest that you met  
(Y'all aint ready, it's Nicole!)  
I was looking for that someone that don't exist and  
And he want some  
What you want isn't always what you get  
(Let's go)

You want your girl to give advice  
But you're always, always right  
You want her naughtier than nice  
And you don't ever wanna fight  
You want her hanging out at home  
Even when she's all alone  
You want everything but that's a dream  
So tell me

Who's gonna love you baby  
Who's gonna be there for you  
Who's gonna keep the faith the way that I do  
Who's gonna hold you down  
Pick you up off the ground  
Who's gonna make your day the way that I do

Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody  
Wait a minute

The grass is always greener  
From where you're standing something's sweeter  
You never know just what got until it's gone  
But I'm the real thing and that's a good thing  
Coz what I bring is really something  
I'm a girl who will never be what she's not

You want your girl to give advice  
But you're always, always right  
You want her naughtier than nice  
And you don't ever wanna fight  
You want her hanging out at home  
Even when she's alone  
You want everything but that's a dream  
So tell me

Who's gonna love you baby  
Who's gonna be there for you  
Who's gonna keep the faith the way that I do  
Who's gonna hold you down  
Pick you up off the ground  
Who's gonna make your day the way that I do

No one loves you like I love you  
No one in the world  
(Let's go)

No one loves you, like I love you  
No one in the world

You want your girl to give advice  
But you're always, always right  
You want her naughtier than nice  
And you don't ever wanna fight  
You want her hanging out at home  
Even when she's alone  
You want everything but that's a dream  
Tell me, tell me

Who's gonna love you baby  
Who's gonna be there for you  
Who's gonna keep the faith the way that I do  
Who's gonna hold you down  
Pick you up off the ground  
Who's gonna make your day the way that I do

Who's gonna love you baby  
Who's gonna be there for you  
Who's gonna keep the faith the way that I do  
Who's gonna hold you down  
Pick you up off the ground  
Who's gonna make your day the way that I do

Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody  
Nobody, Nobody

Who's gonna love you baby  
Who's gonna be there for you  
Who's gonna keep the faith the way that I do  
Who's gonna hold you down  
Pick you up off the ground  
Who's gonna make your day the way that I do
