

The Queers, Born To Do Dishes

Dishpan hands and pots and pans and ashtrays full of butts
Pearl diving's the life for me, I'm such a little putz
The heat, the slime, I've never been on time
I'm soaking wet, I'll never save a dime

Born to do dishes, I was born to do dishes
I was born to do dishes and my mom's really bummed out
I was born to do dishes fuck you, I'm just so proud
I was born to do dishes and my mom's really bummed out

The heat, the slime, I've never been on time
I'm soaking wet, I'll never save a dime
