

The Queers, Granola-Head

Eating magic mushrooms ain't for me
Or getting all screwed up on LSD
Or eating bean sprouts all day long
And smoking pot out of a bong
Wearing flowers in my hair
And having dirty underwear
I don't wanna be a granola-head (2x)
Whacked-out hippies' brains are scrambled eggs
Ugly chicks with very hairy legs
I think I'd rather be at home
Listening to the Ramones
Or hanging out and getting drunk
With a bunch of useless punks
CHORUS
Or can't you see
It's not for me
Or eating bean sprouts all day long
And smoking pot out of a bong
Wearing flowers in my hair
And having dirty underwear
CHORUS (2x)
