

The Queers, Homo

The girl's always giving him shit
'Cause he like da banana split.
She's always calling him names, and
He'd like to be doing the same.

Life's not fair; are you aware?
I can't spell it out like Dr. Frank - who cares?

He's wearing lavender pants.
The boy's just dying to dance.
The girl's always making him cry,
And we're all wondering why.

Life's not fair; are you aware?
Be proud of who you are and don't be scared.
