

# The Queers, I Only Drink Bud

I don't wanna hear your shit, don't wanna see your face  
Cause when it comes to drinking beer, don't you get on my case  
Heineken is skunk piss dude, and Miller sucks so bad  
I'm Joe Queer, I've tried em all, I've spilled more than you had

Hey you motherfuckers  
I only drink Bud

Ben Weasel don't know a thing, Rancid don't even drink  
Even little Vapid's on the wagon, don't it stink?  
People in Chicago always brag about Old Style  
Before I drink that swill again, it's gonna be a while

Hey you motherfuckers  
I only drink Bud
