

The Queers, Nobody Likes Me

Cut my hair and try to fit in.
I hang around, but I just can't win, oh no.
I don't know just what to say,
But I want things to go my way, oh yeah.

I want to, just can't, I want to, just can't fit in.
I want to, just can't, I want to, just can't fit in.
Oh no.

'Cause nobody likes me, nobody likes me.
Nobody likes me, nobody likes me.
Nobody likes me, nobody likes me.
Nobody likes me, nobody likes me.

I don't know just what to do,
But I sure get no call from you.
I care just what you say,
But I want things to go way.

I want to, just can't, I want to, just can't fit in.
I want to, just can't, I want to, just can't seem to fit in.
Oh no.

'Cause nobody likes me, nobody likes me.
Nobody likes me, nobody likes me.
Nobody likes me, nobody likes me.
Nobody likes me, nobody likes me.

Cut my hair and try to fit in.
I hang around, but I just can't win, oh no.
I don't know just what to say,
But I want things to go my way, oh yeah.

I want to, just can't, I want to, just can't fit in.
I want to, just can't, I want to, just can't fit in.

'Cause nobody likes me, nobody likes me.
Nobody likes me, nobody likes me.
Nobody likes me, nobody likes me.
Nobody likes me, nobody likes me.
