

The Queers, NoodleBrain

Sittin' drinkin' a brew, tryin' not to think of you

I think you suck, you acted like a slut

Did you ever really like me

I think I know the answer

F**k you

Well listen up - this stupid song's for you

You're a noodle brain and I hate you

You're a noodle brain you're ugly

You're a noodle brain you're so stupid

You're a noodle brain just like me

Sittin' drinkin' a beer, feelin' like a stooge

You're the reason I drank all that beer last night

I think I know the answer

F**k you

Well listen up - this is what I think of you

CHORUS (2x)
