

The Queers, Peppermint Girl

She's shooting arrows through my heart
Builds me up then tears me apart
She looks hot but she's so cool
She's not my girl but I'm a fool, don't you know
It's really stupid but I love her so
I'm only hoping that she wants to know

So cool, so neat and so sweet, she's
My peppermint girl

She put my heart into a spin
She wants out but I want it
She looks hot but she's so cool
She's not my girl but I'm a fool, don't you know
It's really stupid but I love her so
I'm only hoping that she wants to know

So cool, so neat and so sweet, she's my peppermint girl
