

# The Queers, See You Later Fuckface

I wasn't looking for trouble,  
But it came looking for me.  
I may not have any muscles,  
But I can move like Bruce Lee.

So when a bunch of these pussies started  
Beating up on my friends,  
I left the stage, intending to land on them.

See ya later, fuckface.  
See ya later, fuckface.  
See you in the funny pages - fuck you!  
See ya later, fuckface.  
We hate you.

My dive was graceful and swanlike.  
It was a sight to behold.  
I fell on top of a table,  
And broke a couple of bones.

One of the mongoloid's girlfriends kicked me  
Right in the family jewels.  
I socked her one in the eye, and said,  
"Fuck you!"
