

The Queers, Sidewalk Surfer Girl

Little sidewalk surfer girl
Show me how to shoot the curls
I've been watching you
And all the things you do
You got me in a whirl
Sidewalk surfin' girl

Little sidewalk surfer girl
Now you're going 'round the world
Girl, you sure look sweet
Surfin' down the street
You got me in a whirl
Sidewalk surfin' girl

So grab your little board
And take it for a ride
No matter if you fall
I'll be by your side
