

The Queers, Trash This Place

We trash this place; I don't know why.
Got to clean it up; I want to cry.
You're just a bunch of useless friends
Who partied to the very end.
We trash this place; I don't why.
You'll clean it up; I'll fuckin' lie.
I'll never get my money back.
Thank you, suck the landlord's prick.
We trash this place.
