

# The Queers, You Make Me Wanna Puke

Well I got problems, yes I do  
But they never get me down  
Whenever I see your face, my head starts spinning 'round  
A boo-hoo-hoo-hoo  
Boo-hoo-hoo

I got problems, yes I do  
Like a monkey on my back  
My girlfriend is seventeen and I'm never turning back

Talk shit, smell bad, yes you're so cool  
A clueless fuckup, yes it's true  
You make me wanna puke  
Make me wanna puke  
Make me wanna puke  
Make me wanna puke  
Puke, and I'm gonna puke all over you  
Puke, and I don't know what I wanna do  
Puke  
Puke  
You make puke
