

The Ramones, Cabbies On Crack

Got into a cab, Broadway, 59 Took off like a blast
Almost lost my mind - oh, oh, oh

Cabbies on crack

It first felt like at thrill ride Excited for a while
Got pretty scary swerving at 100 miles an hour - oh, oh, oh

Cabbies on crack
I want to get out, out of this yellow shell
I want to get out, crack cabbies straight from hell

And I don't wanna die before I live
Cabbies on Cabbies on crack

Cabbies on crack Want my money back
Disco blasting out, Stomach in my mouth - oh, oh, oh

Cabbies on crack

Times Square was approaching He braked for the light
At 90 miles an hour, flashed by, I saw my life - oh, oh, oh

Cabbies on crack
I want to get out, out of this yellow shell
I want to get out, crack cabbies straight from hell

And I don't wanna die before I live
Cabbies on Cabbies on crack

And I don't wanna die before I live
Cabbies on Cabbies on crack

Cabbies on crack
