

The Ramones, Endless Vacation

Endless vacation
Endless vacation
Endless vacation
Endless vacation

I kill myself kill the pain
A suicide death a suicide game
My skull he's bleaching in the dust
My rage turns to insane lust
All depressed all alone
I drift into the danger zone
Deadly spitten cobra life of crime
I want revenge I want what's mine

Endless vacation(4 x)

Like takin' Carrie to the high school prom
Something's always goin' wrong
Hair trigger temper tormented mind
Deadly spitten cobra I am losin' kind
The heart is the place devils congregate
Then you're raised on an diet of bickering at hate
Hair trigger temper tormented mind
Deadly spitten cobra I am losin' kind
