The Ramones, Howling At The Moon (Sha-La-La)

Sha-la-la-la Sha-la-la-la-la Sha-la-la-la Sha-la-la-la-la Sha-la-la-la-la Sha-la-la-la-la

Ships are docking Planes are landing A never ending supply No more narco No more gangster Conservatives can cry

I took the law and threw it away 'Cause there's nothing wrong, it's just for play There's no law, no law anymore I want to steal from the rich and give to the poor

Sha-la-la-la Sha-la-la-la-la Sha-la-la-la Sha-la-la-la-la

It was glowing Glowing, glowing Glowing in the dark It was sparkling Sparkling, sparkling Sparking in the night

I took the law and threw it away 'Cause there's nothing wrong, it's just for play There's no law, no law anymore I want to steal from the rich and give to the poor

Winter turns to summer Sadness turns to fun Keep the faith, baby You broke the rules and won

Keep it glowing Glowing, glowing I'm not hurting anyone Keep it glowing Smoking, glowing I'm howling at the moon

I took the law and threw it away
'Cause there's nothing wrong, it's just for play
There's no law, no law anymore
I want to steal from the rich and give to the poor

Oh baby Oh baby Oh baby Oh baby I took the law and threw it away 'Cause there's nothing wrong, it's just for play

I'm smoking, baby I'm smoking, oh baby

There's no law, no law anymore I want to steal from the rich and give to the poor
