

The Ramones, I'm Not Jesus

Don't wear a crown of thorns
Got no holes in my hand
Don't accuse me of that crime
Don't hang me up to dry

It's not me It's not me It's not me

Don't wanna die for your sins
Got no special powers sacrifice and
Sacrilege hey man, I wanna live

I'm not Jesus I can't heal you

Taste my blood it doesn't taste like wine
Can't you see this cross isn't mine
Judas must die for what he has done
Satan's watching with his gun

It's not me It's not me It's not me

Father, son and Holy Ghost
Say your prayers-it's your only hope
Twelve apostle can't help you now
I'll be back to stake my ground

I'm not Jesus I can't heal you
I'm not Jesus I can't heal you

Don't wear a crown of thorns
Got no holes in my head
Don't accuse me of that crime
Don't hang me up to dry

I'm not Jesus I can't heal you
I'm not Jesus I can't heal you
I'm not Jesus I can't heal you
