

The Ramones, It's Not My Place (In The 9 To 5 World)

My mom and dad are always fighting
And it's getting very un-exciting
To get a good job
You need the proper schooling
Now who the hell
Do you think you're fooling

But it's not my place oh-no
No it's not my place no no
No it's not my-not my-not my place
In the 9 to 5 world
And it's not my place
In the 9 to 5 world
And it's not my place
With 9 to 5 girl
It's not my place
In the 9 to 5 world

Hangin' out with Lester Bangs you all
And Phil Spector really has it all
Uncle Floyd shows on the T.V.
Jack Nicholson, Clint Eastwood, 10cc

But it's not my place

Don't wanna be a working stiff
Lose my identity
Cause when it comes
To working 9 to 5
There ain't no place for me
Ain't my reality, to me

Vin Scelsa's on the radio
Ramones are hangin' out in Kokomo
Roger Corman's on a talk show
With Allan Arkush and Stephen King, you know

But it's not my place
