

The Rascals, A Beautiful Morning

It's a beautiful morning
I think I'll go outside a while
and just smile.

Just take in some clean fresh air, boy
No sense in staying inside
If the weather's fine and you got the time
It's your chance to wake up and plan another brand new day.

Either way
It's a beautiful morning
Each bird keeps singing his own song
So long, I've got to be on my way now.

No fun just hanging around, I've got to cover ground
You couldn't keep me down
It just ain't no good if the sun shines
When you're still inside
Shouldn't hide, still inside, shouldn't hide
Still inside, shouldn't hide.

There will be children with robins and flowers
Sunshine caresses each new waking hour

Seems to me that people keep seeing
more and more each day
Gotta say, lead the way
It's okay, brand new day
Gotta say, it's okay
Brand new day, gotta say, lead the way.

It's a Beautiful Morning!
