

The Rasmus, Dirty Moose

Dirty Moose

Funk the neighbourhood
Rock your body to the
Kinky beat we do
One more time

Baby don't you slap me
If you got to make it snappy
Your reason to feel happy
Don't you loose control
You don't like me somehow
Girl get yourself together
You don't live forever
I will change your mind

Funk the neighbourhood
Rock your body to the
Kinky beat we do
One more time

Funk the neighbourhood
Rock your body to the
Kinky beat we do
One more time

Gotta get on
Gotta get going
Gotta get on
Dirty moose

To get along tomorrow
Better fight now
Coz I need you, yeah

Baby don't get tricky
I ain't gonna play your mother
Ain't gonna play your father
I don't care that much
Though I'm concerned about the way
You don't even bother
To think about the others
I love your touch

Funk the neighbourhood
Rock your body to the
Kinky beat we do
One more time

Funk the neighbourhood
Rock your body to the
Kinky beat we do
One more time

Gotta get on
Gotta get going
Gotta get on
Dirty moose

To get along tomorrow
Better fight now
Coz I need you, yeah

If you got to make it snappy
Your reason to feel happy

Funk the neighbourhood
Rock your body to the

Gotta get on
Gotta get going
Gotta get on
Dirty moose

Coz It's not to late to mention
Not to late to talk
To get along tomorrow
Better fight now
Coz I need you, yeah
