The Rasmus, Don't Let Go

Don't let go...don't let go...don't let go

Holding my breath as I walk to your garden Everything seems so abandoned Roses have gone just as high as the mountains Fireflies glow in the dark

Don't let go now (don't let go) Somebody is lying

Everyone came to the final revival It's been a year since we've been here Speel has been cast to welcome the arrival Finally silence is near

Don't let go now (don't let go)
The garden is dying
These wounds won't heal (don't let go)
Somebody is lying

Break the spell of emptiness And thousand year of loneliness Bless the path of righteousness And walk the trails of holiness The garden is dying Somebody is lying

Don't let go now (don't let go) The garden is dying These wounds won't heal (don't let go) Somebody is lying (2x)

Ohhh oh oh ohhhhh The garden is dying Oh oh oh oh oh Somebody is lying

Ah ahahahaha Once of us is lying Ah ah ah ah
