

The Rasmus, Livin' In A World Without You (Blac

It's hard to believe that it came to this
You paralysed my body with a poisoned Kiss
For forty days and nights I was chained to your bed
You thought that was the end of the story
Something inside me called freedom came alive
Livin in a world without you

You told me, My darling
Without me, you're nothing
You taught me, to look in your eyes
And fed me your sweet lies

Suddenly someone was there in the window
Looking outside at the sky that had never been blue
Oh oh oh oh, there's a world without you
I see the light
Livin in a world without you
Oh oh oh oh there is hope to guide me
I will survive
Living in a world without you

It's hard to believe that it came to this
You paralysed my body with a poisoned Kiss
For forty days and nights I was chained to your bed
You thought that was the end of the story
Then something inside me called freedom came alive
Living in a world without you

You put me, together
And trashed me, for pleasure
You used me, again and again
Abused me, confused me

Suddenly making a run through your garden
Right through the gates of the past and I'm finally free

Oh oh oh oh, there's a world without you
I see the light
Living in a world without you
Oh oh oh oh there is hope to guide me
I will survive
Living in a world without you

It's hard to believe that it came to this
You paralysed my body with a poisoned Kiss
For forty days and nights I was chained to your bed
You thought that was the end of the story
Something inside me called freedom came alive
Livin in a world without you

It's hard to believe that it came to this
You paralysed my body with a poisoned Kiss
For forty days and nights I was chained to your bed
You thought that was the end of the story
Something inside me called freedom came alive
Livin in a world without you

Oh oh oh oh there's a world without you
I see the light
Living in a world without you
Oh oh oh oh there is hope to guide me
I will survive Living in a world without you
Living in a world without you
Living in a world without you

Living in a world without you
Living in a world without you
