

The Rasmus, October And April

She was like April sky
Sunrise in her eyes
Child of light, shining star
Fire in her heart
Brightest day, melting snow
Breaking through the chill
October and april

He was like frozen sky
In October night
Darkest cloud in the storm
Raining from his heart?
Coldest snow, deepest chill?
Tearing down his will?
October and April

Like hate and love
World's apart
This fatal love was like poison right from the start
Like light and dark
World's apart
This fatal love was like poison right from the start

We were like loaded guns
Sacrificed our lives
We were like love and - undone?
Craving to entwine
Fatal torch
Final thrill
Love was bound to kill
October and April

Hate and love
World's apart
Light and Dark
World's apart
This fatal love was like poison right from the start
October and April
October and April
October and April
