

The Rasmus, Peep

as you can see right now my friend i'm falling
but i'm not falling in love
as you can see right now my friend i'm crawling
'n i'm not crawlin back to you

i'm gonna do things i wanna do
i'm gonna say things i wanna say
i'm gonna do things i wanna say
aaaaaah

as you can see right now my friend i'm dreaming
but i'm not dreaming of you
if you really try you'll get my meaning
that i'm not coming back to you
