

# The Rasmus, Raggatip

I can never be the same that I was yesterday.  
I'm losing my mind, I'm losing control.  
You tickled me so much, that I can never be ok.  
I think I can be with a serious face anymore.

Oh can't you see that this can't go on?  
I'm losing my calmness, I go crazy.  
Oh can't you see, that tickling is killing me?  
I'm losing my calmness. My calmness, yeah.

No one can take me now in the way they used to take.  
I'm losing my mind, I'm losing my reputation.  
You tickled me so much, that I can never be ok.  
I must go on in despite of my destination.
