

# The Raveonettes, Here Comes Mary

Here comes Mary  
All dressed in black  
Her heart so heavy  
A love attack  
Her dying cigarette in the rain

The gangs are out  
And here comes Mary  
They rave and shout  
Her love to bury  
Her dying cigarette in the rain

Go home and cry to your mama tonight  
Go home and bury your love tonight

Young love dead  
Lost forever  
Young love dead  
Lost forever  
A dying cigarette in the rain

A shiny gun  
To her head  
Here comes Mary  
Forever dead  
A wet cigarette in the rain

Went home and cried to her mama tonight  
Went home and buried her love tonight  
Went home and cried to her mama tonight  
Went out and killed herself tonight
