

# The Raveonettes, The Heavens

Oh, now don't you never disappear  
On a night where the moon hangs so low  
Hold me amongst falling stars  
On a night where the signal turns to go  
Step away I'm off to the heavens  
But my heart stays with you all the time

Oh, lies don't they ever ring true  
Or is it just a means to be cruel  
Oh, words when they hit you head on  
Do you feel like a saint or a fool  
Tell you what, I feel so enraged  
My heart turns black all the time

Oh, now I'm racing like the Devil  
And I think I'll just stay and hold on  
Oh, you've seen the last of me  
But my heart stays with you after I'm gone  
Oh, yeah I feel no regret  
Cause my heart stays with you all the time  
Yeah, my heart stays with you all the time
