

# The Red Jumpsuit Apparatus, Disconnected

You know that you are  
the center of my attention  
and you leave me no choice.  
Tripping on to the floor  
looking at my reflection  
as I follow the chord to your voice  
as it rings on through  
your voice clearly receptive  
like the day we met I knew.

Don't hang up on me, cause  
I'm hung up on you  
don't tell me how to feel  
like you always do  
I know you're right  
I don't want to fight  
is this how our story ends  
or a new chapter begins?

As the days roll by  
cant help myself  
just sit and wonder why  
was it something I said  
something I did my girl?

Your wilted roses make me cry  
a sentimental sign of rejection  
as I follow the chord to your voice.  
As it rings on through  
your voice clearly receptive  
like the day we met I knew.

Don't hang up on me  
cause I'm hung up on you  
don't tell me how to feel  
like you always do  
I know you're right  
I don't want to fight  
is this how our story ends  
or a new chapter begins??  
Begins..

Don't hang up on me  
cause I'm hung up on you  
don't tell me how to feel  
like you always do  
I know you're right  
I don't want to fight  
is this how our story ends  
or a new chapter begins?
