

The Rembrandts, Follow You Down

Broken down on this, lonesome highway
Just my luck that you were, headed my way
Together...we drive off into the night
Wherever...wherever we end up will be alright
I WILL FOLLOW YOU DOWN, WHEREVER YOU GO
THROUGH EVERY TWIST, AND TURN IN THE ROAD
I WILL FOLLOW YOU DOWN, WHEREVER YOU GO
The open air and the, stars above us
There ain't a thing that can, come between us
Remember...we were strangers yesterday
Tomorrow...we could change our lonely ways
(CHORUS)...Whoah!
I will follow you down.....wherever you go
(I will follow you down, to the end of the road)
(I will follow you down, to wherever you go)
(Repeat to fade while Phil 'n Danny do their thing)
