

The Rembrandts, Get It Right

We made love in this room
You mended all my wounds
You said that you would never leave me
Now-when I look in your eyes
And try to just justify
The words that you are speaking
I've made some mistakes along the way
But now I've got something I want to say
We're gonna get it right
Why do we have to be so blind
Just to see the light
We're gonna get it right
Oh yeh
When I was lost at sea
Drifting endlessly
You were the light that guided me back home
So throw me one line
You're not the hurtin' kind
I'm floating 'round in circles
I'm not gonna fake it with you girl
You've got what it takes to rule my world
We're gonna get it right
Why do we have to be so blind
Just to see the light
We're gonna get it right
Oh yeh
They say it's a foolish man who gives his heart away
But I know this foolish man will win you back one day
(music)
I've made some mistakes along the way
But now I've got somethin', I want to say
We're gonna get it right
Why do we have to be so blind
Just to see the light
We're gonna get it right
Oh yeh.....oh yeh
We're gonna get it right
Why do we have to be so blind
Just to see the light
Yeh we're gonna get it right
Oh yeh....oh yeh
