The Rembrandts, Get It Right

We made love in this room

You mended all my wounds

You said that you would never leave me

Now-when I look in your eyes

And try to just justify

The words that you are speaking

I've made some mistakes along the way

But now I've got something I want to say

We're gonna get it right

Why do we have to be so blind

Just to see the light

We're gonna get it right

Oh yeh

When I was lost at sea

Drifting endlessly

You were the light that guided me back home

So throw me one line

You're not the hurtin' kind

I'm floating 'round in circles

I'm not gonna fake it with you girl

You've got what it takes to rule my world

We're gonna get it right

Why do we have to be so blind

Just to see the light

We're gonna get it right

Oh yeh

They say it's a foolish man who gives his heart away

But I know this foolish man will win you back one day

(music)

I've made some mistakes along the way

But now I've got somethin', I want to say

We're gonna get it right

Why do we have to be so blind

Just to see the light

We're gonna get it right

Oh yeh.....oh yeh

We're gonna get it right

Why do we have to be so blind

Just to see the light

Yeh we're gonna get it right

Oh yeh....oh yeh
