

The Rembrandts, Hang On To Forever

Baby, am I chasin' a rainbow?

Lately, I've been lost in a shadow

You're nowhere, if you think that I'll always be there

I'll be there for you now

WHEN YOU GONNA OPEN UP AND LET ME IN?

I CAN'T HANG ON TO FOREVER, BABY

WHEN YOU GONNA LET MY LOVE FOR YOU BEGIN?

HEY I DON'T WANNA BRING YOU DOWN

BUT WE'VE COME TOO FAR TO TURN AROUND

We've come too far to turn around

Baby, tell me where did your heart go?

Lately, I've been lonely like you don't know

Is it real, to deny me the way I'm feelin'?

I feel it for you now

(CHORUS)

We've come too far

We can never-We can never turn around

You're nowhere, if you think that I'll always be there

I'll be there for you now

(CHORUS 2x)

Turn around.....Yeh we'll come too far to turn around

Oh yeh.....Don't wanna bring you down

We've come too far to....Don't you know we've come too far?

Oh yeh.....Don't wanna bring you down (We can never turn around)

Got a long way to go
