

# The Replacements, Can't Hardly Wait (Tim Version)

I'll be there in an hour  
Take at least two weeks on foot  
(???) crummy water tower  
Climb to the top and scream all over if I could  
I'll be sad in heaven, you won't visit me there

Jesus rides beside me  
Never buys any smokes  
Hurry up, hurry up  
I've had enough of that stuff  
Ashtray floors, dirty clothes, filthy jokes

A lightning flash in the evening  
Guess we'll follow him there

I'll be there in an hour  
If there's a hole in the gate  
Climb to the top of this crummy water tower screamin'  
I can't hardly wait  
I can't wait  
I can't wait  
I can't wait  
Wait
