

# The Replacements, Gary's Got A Boner

Hut..yeah..c'mon

C'mon little kiddie, get your head on right  
C'mon little kiddie, get your head on straight  
You're gonna get her down  
You're gonna finger to her  
You're gonna suck me down  
You're gonna see her out...

Forget about the lights, girl, and the cars  
You never heard somebody so far  
Grab ahold, gonna hold  
You're gonna stick it to her  
You're gonna stick it to her

Gary got a boner  
Because Gary's got a boner  
Gary got a boner  
Gary's got a boner now

You locked that door, rolled up that window  
Tied your sister up by the fender  
I don't know if I will  
You're gonna stick it to her  
Yes, you're gonna stick it to her

Gary got a boner  
Gary's got a boner  
Gary's got a soft-on  
Enough for more, more, more, more  
Let it go
