

The Replacements, God Damn Job

I need a god damn job
I need a god damn job
I really need a god damn job
I need a god damn job

God dammit
God dammit
God damn
I need a god damn job

I need a god damn girl
I need a god damn girl
I really need a god damn girl
I need a god damn girl

God dammit
God dammit

God damn
I need a god damn job
Right now right now

An honest job
If I can find one
