

# The Replacements, Hey Good Lookin' (H. Williams)

Pull from Hank..

Hey good lookin'  
What ya got cookin?  
How about cookin' something up with me

Oh, sweet baby  
Now, don't say maybe  
How about cooking a brand new recipe

Got a hot-rod Ford and a two-dollar bill  
And I know a place right over the hill  
Sodie-pop and the dancings free  
Do you wanna come along, come along with me

I said hey good lookin'  
What ya got cookin?  
How about cookin' something up with me

I got a hot-rod Ford and a two-dollar bill  
I know a place right over the hill  
If ya sodie-poppin and if ya think it's free  
Then I got news for you, along with me

I said hey good lookin'  
Now what you got cookin?  
About cookin' something up with Slinkee?  
How about cookin' something up with Merle?  
So how about cookin' someting up with me?
