

# The Replacements, I Hate Music

Oh, no...okay...tape's rolling...so what?

I hate music  
Sometimes I don't  
I hate music  
It's got too many notes

I hate my high school  
Sometimes I went  
I hate music, man  
Never heaven sent

Tommy says so  
Tommy says so  
Tommy says so  
Tommy says so so so so what

I hate my father  
One day I won't  
I hate my father  
Just get off my back

I hate music  
It's got too many notes  
Are you listening?  
So  
Tommy says so  
Tommy says so  
Tommy says so

I hate music  
Sometimes I don't  
I hate my father  
One day I won't  
I hate music  
Turnin' me on  
I hate music
