

# The Replacements, Kiss Me On The Bus

On the bus, that's where we're riding  
On the bus, okay, don't say "hi" then  
Your tongue, your transfer  
Your hand, your answer

On the bus, everyone's looking for it  
On the bus, I am looking for it  
And everything ain't okay  
I might die for money  
They're all watching us

Kiss me on the bus  
Kiss me on the bus  
Oooo, if you knew how I felt now  
You wouldn't act so adult now  
Hurry hurry, here comes my stop

On the bus, watch our reflection  
On the bus, I can't stand no rejection  
Oh and let's make a scene  
Oh baby don't be so mean  
They're all watching us

Kiss me on the bus  
Kiss me on the bus  
Oooo, if you knew how I felt now  
You wouldn't act so adult now  
Hurry hurry, here comes my stop

Oooo, if you knew how I felt now  
You wouldn't act so adult now  
They're all watching us  
Kiss me on the bus  
Kiss me on the bus  
Kiss me on the bus  
Kiss me on the bus
