

The Replacements, Lookin' For Ya (Demo)

Half a mile till (???)
I'm gonna do it, could use some hope
(???) gonna tell ya, (???)

Lookin' for ya baby, day to day
Lookin' for ya baby, let's get along
Got no place, gonna come along
Cruisin' on the highway, pourin' rain
We're so, baby, we're so insane
Gonna tell ya about how (???), hahaha

Lookin' for ya baby, let's get along
Got no place, I got no song
Gotta move fast, on your leg
Gotta move fast, gotta move bad
(???)
Lookin' at ya, you're so easy
(???)
Got a walkin' talkin' and few less lick
Got a handful of wives and I'm gonna sit
Kneel round my chair, stand on a chair
Someone's at the door, nobody cares
Lookin' for ya baby, let's get along
Got nobody, are ya comin' along?

(Keep your riches, gimme a Budweiser)
