

# The Replacements, Shoot Me Kill Me (Demo)

I see ya  
That's cold  
And I'm still  
So cold  
Revolvers  
And a (???)  
Train 'em on (???)  
And shoot me oh well

Shoot me  
Fuck it now  
I hold it now  
Swing that bill around  
Crowding round  
Crowding round  
And round and round

Shoot me kill me love me  
If ya  
Shoot me kill me love me  
Fuckin', spittin', shootin', killin'  
There ain't no time now
