

The Replacements, Sixteen Blue (Demo)

(Check)

Drive yourself right up the wall
Someone hears and no one calls
It's a useless day
It's a boring wait
I know

Fanzines are cheap I know
Shape your mind
Rolling Stone is cool this time
You know, anyway
I waste your time

Your age is the hardest age
Everything drags and drags
Find someone who can help you through

Brag about things you don't understand
Girl and a woman
Boy and a man
Everything's sexually vague
Now you're wondering to yourself
If you might be gay
Gonna drive yourself right up the wall
Learn in time what you do in the stalls
(Sexually)
I wonder what next you'll want from me

Your age is the hardest age
Everything drags and drags
One day I wanna help you through
Sixteen blue
Sixteen blue
Sixteen blue
Sixteen blue

Your age is the hardest age
Everything drags and drags
Yeah, you're looking funny
But you ain't laughing, are you?

Sixteen blue
Sixteen blue
Sixteen blue
Sixteen blue
Sixteen blue
Sixteen blue

You're mine
If you want to

Sixteen blue
Sixteen blue
Sixteen blue
Sixteen blue
Sixteen blue
Blue
Blue
Blue...
