

The Rezillos, No

Mama Mama can I climb all the trees in the park?
Mama Mama can I stay out 'til late in the dark?
Mama Mama don't over-protect me now
I just want to have some fun at night
But I can hear you say

No!
Because I'm not old enough
No!
Because I've been told enough
No!
Because I should listen to my pa

What's wrong with the kids from the wrong end of town?
They're my friends 'cause they always want me around
Hey Mama don't underestimate them now
We're gonna have fun when the sun goes down
But I can hear you say

No!
Because I'm not old enough
No!
Because I've been told enough
No!
Because I should listen to my pa

Hey baby shall we go for a stroll in the park?
Hey baby shall we stay out 'til late in the dark?
Hey baby if you overreact to me now
Then we can really have some fun tonight
But I can hear you say

No!
Because I'm not old enough
No!
Because I've been told enough
No!
Because I always listen to my ma

No!
Because I'm not old enough
No!
Because I've been told enough
No!
Because I always listen to my
Ma
