

# The Riverdales, Judy Go Home

Hey hey punk rocker  
go home judy, judy go home  
Nobody wants you hanging around  
go home judy, judy go home  
She don't care what they say  
She eats her veggies every day  
Not funny when you're in her way no

[Chorus:]

No

Judy go home [x3]

Everybody stops to stare

go home judy, judy go home

Cause they don't like the way she cut her hair

go home judy, judy go home

Well maybe she's like little me

We'll give her a lobotomy

Then everything will be groovy oh

[Chorus:]

Oh

Judy go home [x3]

She was all dressed up

to go to the show

When somebody asked why she wore such freaky clothes

[Chorus:]

Judy go home [x3]
