This years fall line is superb, Paris, Prague, Barcelona, Rome  
And I have no home, last stop Tokyo  
The bay is shrinking everyday, there's room enough in it for me  
Assignment Estonia, Budapest, Helsinki, Oslo  
And I have no home, last stop Tokyo  
Name, rank and serial number, I'm not a mercenary  
Name, rank and serial number, I'm just a businessman see  
Name, rank and serial number, I'm not a green baret see  
Name, rank and serial number, They're gonna kill me next week  
Belfast and London calling them to my target in Cologne  
But I have no hope, last stop Tokyo
