

# The Robocop Kraus, All We Have Is Now

I thought I'd go when you saw it coming  
There's a man in a fur please hold me I'm shaking  
A kiss in the street a goodbye at the station  
Farewell to the plane all this in falsetto  
All this in falsetto  
I'm only making plans  
We'll work it out or we might kiss others  
A new set of lips wouldn't go with our faces  
Drunk on the moment drunk without drinking  
All we had was now all we have is now  
All we have is now  
All this in falsetto  
I'm only making plans to stay  
All we have is now  
I thought I'd go when you saw it coming  
There's a man in a fur please hold me I'm shaking  
A kiss in the street a goodbye at the station  
Farewell to the plane all this in falsetto
