

The Robocop Kraus, Fashion

Don't you be hysterical
I know it ain't identical
When you don't belong to anything
To anyone
It is fantastic! Super!
Don't you be hysterical
I know we have to get used to it
It is fashion
We have to get used to it
Don't you be hysterical
When your life feels superficial
You don't belong to anything
To anyone
We go up, we go down
And in between there's no common ground to be found
And still it goes like we have to get used to it
It is fashion
Superficial! Superficial!
We have to get used to it
It is fashion
